Course Description

This course is designed for students who have completed 4 semesters of Chinese. Students need to improve their language abilities to meet practical needs in listening, speaking, writing and reading. The course focuses on the communication skill training, and also on expressing the completed information or thoughts by using Chinese. Students need to write an essay every two weeks, and make a 4 minutes oral presentation every week. At the end of this semester, all the students need to publish an e-book by collecting all of their essays of this semester. A public oral presentation in Chinese as well as a written project in Chinese is required as the final project for this course.

Learning Objectives

The student's Mandarin Chinese will steadily improve along with the implementation of the program.

The weekly plan includes:
