COURSE DESCRIPTION

The aim of this course is that the students gain a solid and practical understanding of Spanish through comparative analysis of English and Spanish. The students will focus on certain grammatical, syntactical and lexical aspects of the Spanish language which tend to present the greatest challenge for native English speakers. The ultimate goal of this contrast between the two languages is to improve the students' language level.

The course requires a good working knowledge of conversational Spanish, grammatical concepts and terminology (direct object, indirect object, prepositions, adverbs, adverbial phrases, etc.).

ASSESSMENT AND FINAL GRADE

Out of class activities: Students will attend an acoustic concert where several prestigious Sevillian musicians will perform an unplugged concert. We will compare the lyrics of popular Spanish songs to those of popular English songs

Exams: Two exams will be given throughout this course (one mid-term exam and one final exam). The combined score of both exams will constitute **80%** of the student's final grade. The remaining **20%** of the final grade will be based on regular attendance, classroom exercises and participation.

CIEE classes are not graded on a curve nor is there extra credit work. The final grade will be based upon the following criteria:

- 2 written exams (40% each) **80%**
- Classroom exercises, participation, attendance, etc... **20%**

Attendance policy:

Students are not allowed to miss class for unjustified reasons. For each unexcused absence, the participation portion of the grade will be lowered. Hence, it will be very difficult to receive a 100 in the class. Please keep this in mind.

If a student misses class once without a valid excuse (a note from a physician in the event of an illness), then the professor will automatically lower the final grade by 10 points (on a 100-point scale) for each class missed thereafter. Students with 3 or more absences will fail the course.

Students should arrive to class on-time. Arriving more than 15 minutes late for a class will count as an unexcused absence. Please note that an excused absence is one that is accompanied by a doctor's note: signed stamped and dated. Travelling and/or travel delays are not considered valid reasons for missing class.

Academic Honesty: Students are expected to act in accordance with their university and CIEE's standards of conduct concerning plagiarism and academic dishonesty. Use of online translators for work in Spanish will result in an automatic failure.

Linguistic Resource Center: In this class, bring one whose objective is learning the language based on previous knowledge and skills, ALL STUDENTS ARE PROHIBITED FROM USING THE WRITING CENTER. All assignments turned in to the professor will be reviewed and handed back with comments; therefore any previous corrections will detract from the learning process and objective of this course. The professor has office hours available where the student may consult any question or doubt he/she may have. On the other hand, it is recommended that the student use the Spanish language tutoring services.
