Course Prerequisites
* Expectations of Previous Study: 4 semesters prior study; Master of all materials covered in Al-Kitaab, Book I or similar series. ARAB 3011 AMJO covers UP 2 chapter 5 Al-Kitaab, Book II
** Expected score on proficiency exam administered on-site: 51-65 points

**Methods of Instruction**

This course emphasizes a communication-based method of instruction. Students are expected to be active-learners, coming to class prepared to activate vocabulary and grammar through group activities. Instead of lecturing, instructors primarily facilitate these communication-based activities and guide student learning.

**Assessment and Final Grade**

- Homework: 15%
- Oral Presentation: 10%
- Quizzes: 15%
- Chapter Tests: 30%
- Final Exam: 20%
- Class Participation: 10%

**Course Requirements**

**Homework**

You are expected to turn your homework in on-time on the day that it is due. If you do not, the instructor can refuse to accept your work or reduce your grade on the assignment.

**Oral Presentation**

Students will be asked to prepare and present various types of graded oral presentations, such as skits, dialogues, and formal presentations. The instructor will provide the students with clear guidelines and expectations for these oral presentations so that the students can prepare accordingly. Students may prepare scripts or outlines for these presentations, but they should be prepared to deliver the presentations without reading from them verbatim.

**Quizzes**

There will be a number of minor quizzes throughout the semester to check that students have adequately prepared for class by learning new vocabulary or grammar lessons.

**Chapter Tests**
There will be a test after every unit to test student’s knowledge of vocabulary and grammar from that particular unit. While unit tests focus on particular units, they will build upon previous material covered in the course.

**Final Exam**

The final exam is comprehensive, testing student’s mastery of all vocabulary and grammar covered in the course. It also includes sections that test all language skills: writing, reading comprehension, listening comprehension, and oral production.

**Attendance and Class Participation**

It is essential that you attend every class in order to not fall behind. Within three days of your absence you need to submit an Absence Notification Form to the CIEE Resident Staff. If your absence is excused, they will give you an Excused Absence Confirmation that you should show to your instructors. At the end of the semester, one unexcused absence will be dropped for each student.

If you come to class late it will reduce your participation grade. If you are more than 20 minutes late for class, it will be considered an absence.

In order to get the most out of each class, it is very important that you are prepared, alert, and engaged during class activities. In-class activities are designed with the assumption that you already studied the vocabulary and grammar explanations at home and are prepared to activate that knowledge in class.
